OneCare Connect Cal MediConnect Plan (Medicare-Medicaid Plan)

# Introduction to OneCare Connect

# What Is OneCare Connect?

- Cal Medi-Connect is part of a national pilot program for people with Medicare and Medi-Cal (“Medi-Medis” or “dual eligibles”).
- California implemented Cal MediConnect via legislation, called the Coordinated Care Initiative (CCI).
- CCI has two primary components:
  - Cal MediConnect, which integrates Medicare and Medi-Cal into a single plan (instead of Medicare with Medi-Cal wrap)
    - **CalOptima’s plan is the OneCare Connect Cal MediConnect Plan (Medicare-Medicaid Plan)**
  - Managed Long-Term Services and Supports (MLTSS) as a managed care plan benefit. Includes:
    - Long-Term Care (LTC)
    - Multipurpose Senior Services Program (MSSP)
    - Community-Based Adult Services (CBAS)
    - In-Home Supportive Services (IHSS)

# Options for Medi-Medi Members

# OneCare Connect Plan

---

- California's Cal MediConnect plan:
  - Combines Medicare and Medi-Cal benefits
  - Coordinates all care, supports and services via one plan — CalOptima OneCare Connect Cal MediConnect Plan (Medicare-Medicaid Plan)
  - Integrates behavioral health benefits with physical health benefits
  - Offers improved access to Long-Term Services and Supports, including nursing facilities, community-based adult services (CBAS), In-Home Supportive Services (IHSS) and Multipurpose Senior Services Program (MSSP)
- Coordination of care through OneCare Connect enables the member to receive quality services to achieve optimal outcomes, independence, health and quality of life.

# OneCare Connect Goals

---

Combine Medicare and Medi-Cal benefits.

Make meaningful improvements to member care with care coordination and care planning.

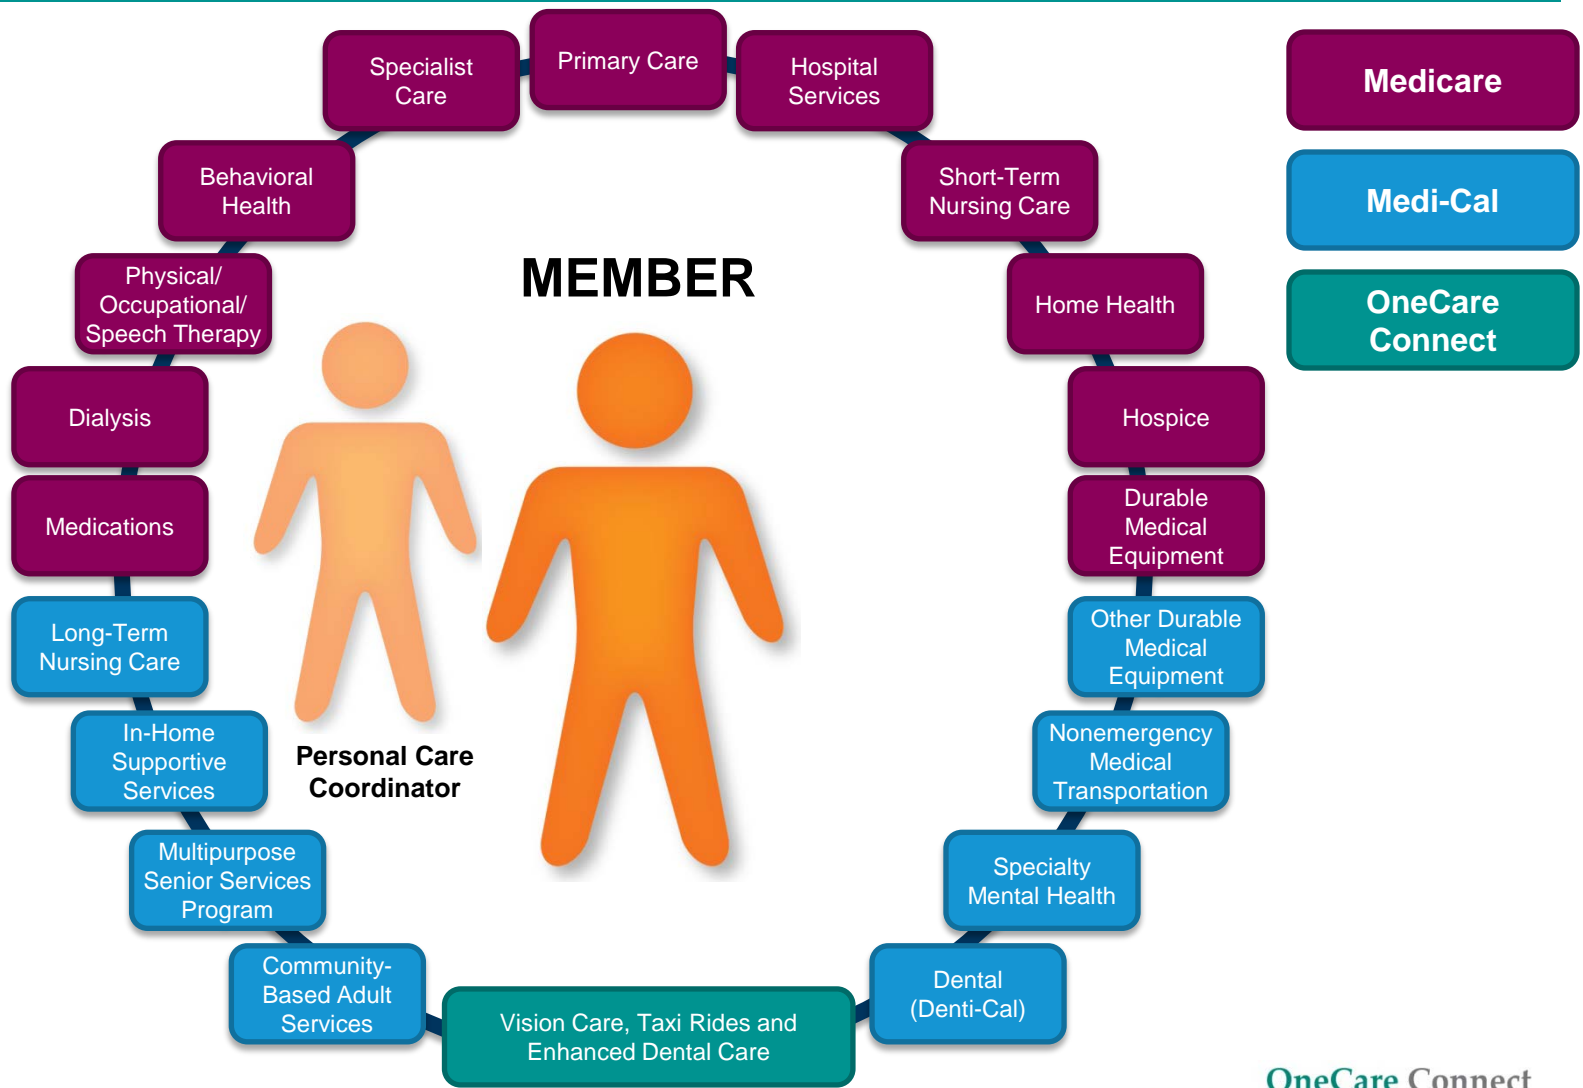

Help members live safely at home as long as possible.

Protect member choice and provide a better health care experience.

# OneCare Connect

# Added Benefits

---

- In addition to Medicare and Medi-Cal covered services, OneCare Connect members receive:
  - Vision care, taxi rides to medical appointments and enhanced dental care
  - Improved access to long-term services and supports, including skilled nursing, Community-Based Adult Services (CBAS), In-Home Supportive Services (IHSS) and Multipurpose Senior Services Program (MSSP) benefits
  - Improved integration of behavioral health benefits with physical health benefits
  - Coordination of benefits via an Interdisciplinary Care Team (ICT) and an Individual Care Plan (ICP)
  - Support from a Personal Care Coordinator (PCC) to help navigate the health care system

# Member Interactions With Providers

---

- Members can choose their health network and in-network doctor.
  - Thirteen networks or the CalOptima Community Network of independent practitioners
  - OneCare Connect has primary care and specialist providers
  - Option to change doctors every 30 days
- Members must see providers in an assigned network.
- Special continuity of care provisions may cover members with existing provider relationships.
  - Medicare services: up to 6 months
  - Medi-Cal services: up to 12 months
- Member's providers participate on the ICT to create an ICP.

# OneCare Connect and Grievances and Appeals

# Grievances and Appeals

---

- CalOptima members have grievance and appeal rights for all programs.
- CalOptima ensures members receive all services to which they are entitled.
- Members have rights under both Medicare and Medi-Cal to voice dissatisfaction (grievance) or request a reconsideration of a decision (appeal).
- OneCare Connect members also have the right to contact the state Cal MediConnect Ombudsman.
  - Available Monday through Friday from 9 a.m. to 5 p.m.
  - **855-501-3077**; TDD/TTY 855-847-7914
  - Website: [www.healthconsumer.org](http://www.healthconsumer.org)

# Grievances and Appeals (cont.)

- A grievance is:
  - Any **complaint or dispute expressing dissatisfaction** with the manner in which CalOptima or a delegated entity provides health care services, regardless of whether any remedial action can be taken
- An appeal is:
  - A **request to review a plan's decision**. Refers to the procedures that deal with the review of adverse Organization Determinations on the health care services a member believes they are entitled to receive, including the delay in providing, arranging for, or approving the health care services or on the amount the member must pay for a service
- Grievances and appeals are important.
  - We learn about member perceptions of CalOptima.
  - We find opportunities for improving our services.

# Grievances and Appeals (cont.)

---

- OneCare Connect members are eligible for both Medicare and Medi-Cal benefits and have special grievance and appeal rights as each of these plans have specific requirements for handling grievances and appeals.
- The right to choose an appeal path is a unique feature of OneCare Connect.
- The CalOptima Grievance and Appeals Resolution Services (GARS) team has specific procedures for handling:
  - Grievances
  - Appeals
  - Expedited appeals

Note that if your job involves member contact, you will receive additional training in your work unit about how to handle member or provider grievances and appeals.

# OneCare Connect and Cultural Competency

# Cultural Competence

---

- What is cultural competence?
  - The state of being capable of functioning effectively in the context of cultural differences
  - A set of congruent skills, attitudes, policies and structures, which come together to enable a system or agency to work effectively in the context of cultural differences

Focal Point. 1998;3(1).

# Cultural Competence (cont.)

---

- OneCare Connect is focused on members' individual needs — taking into account their diverse backgrounds and cultures
  - Acceptance and respect for differences
  - Continuing self-assessment regarding culture
  - Attention to the dynamics of difference
  - Ongoing development of cultural knowledge and resources
  - Dynamic and flexible application of service models to meet the needs of minority populations

# Pillars of Cultural Competence

- Three Pillars of Cultural Competence
  - Language Access Services
  - Culturally Competent Care
  - Organizational Support
- CalOptima applies the concepts to:
  - Encourage attitudes that value and respect diversity
  - Enhance knowledge and awareness of beliefs, behaviors and preventive health practices
  - Develop communication skills for members with diverse language needs, including sign language interpreter services
  - Enhance the ability to address the health needs of OneCare Connect's diverse population

Note that as your particular job requires, you will receive additional training in your work unit on cultural awareness and sensitivity.

OneCare Connect Cal MediConnect Plan (Medicare-Medicaid Plan)

# OneCare Connect and Disability Awareness

# Disability Awareness

---

- CalOptima's goal and commitment is to:
  - Serve all of its members with compassion and respect
  - Ensure that communications, physical spaces, services and programs are accessible to people with special needs, including visual, hearing, cognitive and physical disabilities.
  - Be the member's partner in health care.

# Definitions

---

- **Impairment:** Alteration of a person's health status as assessed by medical means
- **Disability:** A physical or mental impairment that substantially limits one or more of the major life activities (mobility, cognitive, thinking, learning ability, vision, speech or hearing)
- **Functional limitation:** Difficulty completing basic or complex activities because of a physical, mental or emotional restriction
- **Functional capabilities:** Strengths of a person with disabilities to perform certain activities, with or without accommodations

# Barriers to Access and Care

---

- People with disabilities and functional limitations may encounter environmental and attitudinal barriers to care:
  - Physical Access — The ability to get into a building or the area where health care services are offered and/or the ability to get onto the equipment needed for procedures and testing
  - Communication Access — The ability of the provider and member to communicate and understand the information asked and directions given
  - Program Access — The ability to fully take part in health education, prevention, treatment and other programs offered by the health plan
- The most difficult barriers to overcome are **attitudes**.
  - Important to focus on individual's ability rather than on disability.

# Reasons for Accommodations

---

- Functional limitations may create a need for accommodations, such as:
  - Physical accessibility
  - Changes to provider office policies
  - Accessible exam or medical equipment
  - Effective communication
  - Health education materials in alternate formats
- Physical disabilities may be more obvious, but **unseen** mobility issues are more common.
- OneCare Connect has processes in place to work with providers whose members need accommodations.

# Types of Accommodations

---

- Accommodations are logical adjustments made to an environment that enables a person with a disability to access and receive services and programs.
- Includes:
  - Physical environment adjustments
  - Auxiliary aids and services for persons with hearing or sight impairments
  - Language interpreter services
  - Materials in alternative formats

# Disability Awareness Resources

---

- Information and resources are available on CalOptima's website at [www.caloptima.org](http://www.caloptima.org)
- CalOptima's Provider Resource Line at **714-246-8600**
- Aging and Disability Resource Connection (ADRC) at 800-510-2020 or visit [www.adrcoc.org](http://www.adrcoc.org)

Note that as your particular job requires, you will receive additional training in your work unit on disability awareness.

# OneCare Connect and Model of Care

# What is the “Model of Care?”

---

- An integrated delivery system that supports:
  - Care management policy
  - Procedures
  - Operational systems
- A member-centric program to support member health and health care decisions
- Benefits managed via care coordination, health management and planning
- Component of CalOptima Quality Improvement Program (QIP)

# Model of Care

---

- Key program components:
  - **Personal Care Coordinator (PCC)** — specialized staff assigned to assist with completion of HRAs and serve as point of contact for members.
  - **Health Risk Assessment (HRA)** — member's health status information used to improve the care process and offer providers actionable information
  - **Interdisciplinary Care Team (ICT)** — team in which all participants coordinate their effort to benefit the member
  - **Individual Care Plan (ICP)** — an actionable plan of care developed by the ICT and delivered to the member with a focus on cultural differences, language, alternative formats and health literacy

  - Informed by HRA (initial, annual and as needed)
  - Lists current doctors, providers and medications
  - Evaluates current status and treatment plan
  - Includes comprehensive input from the member and/or member's caregiver, PCP, specialists and other providers, according to member's wishes
  - Identifies member strengths, capacities and preferences
  - Provides care options to support member needs, including transitions of care settings
  - Identifies long-term care needs and the resources available

# Individual Care Plan (cont.)

---

- Considers:
  - Medication reconciliation and compliance
  - Member/caregiver support systems, resources, involvement
  - Mental health, cognitive functions, cultural and linguistic needs
  - Motivational status or readiness to learn
  - Visual/hearing needs, preferences or limitations
  - Functional status — ADL and IADL
  - Barriers to quality, cost-effective care and treatment
  - Need for future services
  - Member's health care goals and concerns
- States who members want to be involved in their care, such as family members, friends or other caregivers

Note that as your particular job requires, you will receive additional training in your work unit on the Model of Care, ICT and ICP.

# Individual Care Plan (cont.)

---

- An ICT must be convened and the ICP must be developed within the required time after the member's HRA is completed.
- ICT meeting minutes document PCP, member and/or caregiver and other health care team participation or decline to participate.
- ICT recommendations and the final member ICP are given to the PCP, other pertinent providers and the ICT participants.
- A member-friendly ICP is given to the member.

OneCare Connect Cal MediConnect Plan (Medicare-Medicaid Plan)

# OneCare Connect and Care Coordination

# Care Coordination

- **Coordinated care = Combined system**

# What Is Coordination of Care?

---

- Definition:
  - An approach to health care in which all of a member's needs are coordinated with the assistance of a primary point of contact. The point of contact provides information to the member and the member's caregivers and works with the member to make sure that the member gets the most appropriate treatment while ensuring that health care is not accidentally duplicated.
- Goal:
  - Help member regain optimum health or improve functional capability, in the right setting and in a cost effective manner.
- Supports individual choice:
  - Live in least restrictive environment
  - Maintain independence
  - Prevent functional decline

# Transitions of Care

---

- Definition:
  - Coordination of services and care from one care setting to another
- Goal:
  - Assisting the member to remain in least restrictive setting
- Process:
  - PCC and/or care manager coordinates care:
    - Assists with the transfer of clinical records
    - Assists with identification of needed providers or facilities
    - Facilitates reconvening of ICT
    - Facilitates updates to ICP to reflect new provider, facility, or services and care needs
    - Communicates ICP between the sending and receiving settings, ICT and member/caregiver/authorized representation within one business day of notification that transition occurred
    - Sends ICP by faxing, mailing or electronic medical record transfer or face-to-face hand-off to member

# Continuity of Care

- Definition:
  - Continuity of care for services and medicines means that the member can continue receiving any current **medically necessary services or prescriptions** after enrolling in OneCare Connect if certain criteria are met.
- Benefits that can continue include:
  - Primary and specialty Medicare services
    - Medical
    - Mental and behavioral
    - Long-term Services and Supports (LTSS)
